10:30 Poster Session 2 (snacks and coffee available)

12:00 Closing Remarks – MoLA Town Hall

MoLA

MEETING ON LANGUAGE IN AUTISM

Information

Wi-Fi

Duke visitors can access Duke's unsecured wireless network without a password using the DukeVisitor network. The network can be located in your device's available wireless networks while on campus.

Lactation

There is a Mamava Mobile Lactation Pod available in the Bryan Student Center Lower Level. You will need to download the Mamava App (App Store or Google Play) to enter the pod. Directions are also available at the MoLA registration desk.

Quiet Space

A room has been reserved on the lower level of the Penn Pavilion for anyone needing a quiet space to retreat. We ask that those who enter the room respect it as a quiet space. The elevator or stairs will take you downstairs.

Duke COVID-19 Policies

- All attendees (employees, students and their guests) should be vaccinated.
- No individuals should be required or expected to attend a reception, party or gathering. We should recognize that some of our colleagues have family or health concerns and will choose not to participate.
- Masking is still required on Duke buses and vans and clinical settings.
- Masking remains one of the most effective ways to protect yourself and others, especially in indoor settings.
- We respect an individual's decision to wear a mask even if it is not required.

Directions to Devil's Krafthouse

The Friday evening meet and greet will be held just across the foot bridge and down the stairs from the Penn Pavilion at the Devil's Krafthouse (ground floor of the Broadhead Center). Walk out of Penn Pavilion in the direction of the Chapel and head down the stairs.
